## **We need some funding for the next legislative session**

**Help Us Help You! Our industry vendors and brokers are stepping up. Join with us!**

**We are asking our industry professionals and leaders, to help sponsor our legislative efforts. Our goal is to create substance and dialogue, and approach our legislators with positive ideas and written legislative language, for Minnesota and Minnesotans.**

**We need your support to advance and protect our industry at the State Capitol. We can make this next upcoming compelling legislative year one in which we protect our industry and profession, by creating an environment in which our legislators can call upon us as advocates, who provide experience based resources.**

**Please consider sponsoring our award winning MAHU Chapter and Legislative Committee, so we can expand our work and be even more successful on your behalf. We are seeking your donation, sponsorship or participation.**

## **Sponsorship Levels \$500 and up**
